

## ACHAP BIENNIAL CONFERENCE 2019

Faith-based organizations play a critical role in providing healthcare to Africa's most vulnerable communities.

In sub-Saharan Africa, Christian Health Associations provide front-line preventative and public health care, extending their reach through communities of faith.

The Africa Christian Health Associations Platform is the leading information and knowledge-sharing network that facilitates learning and joint advocacy for Christian Health Associations and their development partners.

With 43 member organizations from 32 countries, a biennial conference is key to advancing regional and global health issues, establishing priorities and ultimately enhancing care for the vulnerable communities CHAs serve.

Now ACHAP's Biennial Conference and General Assembly meeting will be held in Yaoundé, **Cameroon February 25-March 1, 2019.**

**February 25-March 1, 2019**

**YAOUNDE, CAMEROON**

Visit our website [www.africachap.org](http://www.africachap.org)  
for registration from October 2018

**Theme: Strengthening partnerships for  
Primary Health Care towards achieving  
Universal Health Coverage; the role of  
ACHAP**

## Become an ACHAP 2019 sponsor

Photo by Allison Shelley, Lutheran World Relief

Christian Health Associations provide healthcare to much of the continent. This conference is where decision makers and stakeholders participate.

- Investing in sustainable health systems promotes independence and universal care.
- Supporting a participant scholarship will enable a front-line health worker to connect with others to exchange ideas and build mutual support.
- Exhibiting is an opportunity to strengthen existing partnerships and to establish new relationships.
- It is an opportunity to participate in faith-based health care for some of the world's most vulnerable communities.

## Conference sponsorship opportunities

### • Sponsor a conference day: \$5,000

In addition to logo placement in communication materials and announcements featuring the day's sponsoring organization, day sponsors will be invited to moderate a key panel discussion on **Partnerships**

for FBO Health Systems towards achieving the SDG's or "Health Systems Strengthening. Sponsor branding will appear in each of three breakout rooms in collaboration with the conference organizers and will participate in introducing key speakers and topics.

- **Pre-conference reception: \$2,500**

Sponsoring the conference cocktail reception for around 100 – 120 people .Visual recognition to be displayed during the reception.

- **Exhibit sponsorship: \$2,000**

A 10' x 10' display for products and innovations. Exhibitors will be included in the exhibitor's listing in the ACHAP website and in the conference package materials for participant information.

- **Participant sponsorship: \$750**

Fund travel and conference participation for a front-line health worker.
